CONTENTS - MYSTERY BOX

A mystery box activity focused on civic sense and community responsibility where students brainstorm solutions, we can include scenarios or problems that require thoughtful discussion. Here are some problems that can be placed in the mystery box:

Littering and spitting in Public Places:

Scenario: Our school or neighbourhood park is frequently littered with trash, despite having dustbins available. Some people spit everywhere. Sometimes it is along with things they chew. It's really very sad that the public places are dirtied due to some of these people

Prompt: Brainstorm ideas to encourage people to use dustbins and keep the area clean.

Vandalism of Public Property:

Scenario: We often notice that walls and benches in our local park are covered with graffiti and damage. Sometimes during the protests etc people damage public transport and property
Prompt: Discuss how to prevent vandalism and ways to restore respect for public property.

Ignoring Traffic Rules:

Scenario: Many people in our community cross roads without using crosswalks, some jump traffic signals ignoring the traffic rules, leading to dangerous situations.
Prompt: Come up with ways to promote traffic safety and ensure that people follow traffic rules.

Water Wastage:

Scenario: Taps are left running in public restrooms, and there's significant water wastage in your school.
Prompt: Think of strategies to reduce water wastage and raise awareness about the importance of conserving water.

Noise Pollution:

Scenario: There's excessive noise in your neighbourhood due to loud music and honking, disturbing everyone, especially the elderly and students.
Prompt: What solutions can you propose to reduce noise pollution and create a more peaceful environment?

Lack of Involvement in Community Service:

Scenario: Very few people volunteer for community service projects, resulting in poor participation in cleanliness drives and social initiatives.
Prompt: How can you motivate more people to get involved in community service and contribute to a better community?

Poor Waste Segregation:

Scenario: Despite having separate bins for recycling and compost, people are not segregating their waste properly.
Prompt: Suggest ways to improve waste segregation habits and educate the community about its importance.

Disrespecting the Elderly:

Scenario: In our community, some young people are often seen being rude or disrespectful to elderly residents, ignoring their needs or making them uncomfortable.
Prompt: Brainstorm ways to promote respect and kindness towards the elderly and create a more supportive environment for them.

Misbehaviour Towards Women and Girls (Eve-Teasing):

Scenario: There have been instances of eve-teasing making women and girls feel unsafe when they go out alone. Cases of rape and molestation are rampant
Prompt: Discuss strategies to address eve-teasing, ensure safety for women and girls, and create a community culture of respect and equality.

TWIST IN THE GAME
Mobbing and Group Intimidation:

Scenario: A group of students at your school or community often engages in mobbing, where they intimidate others by ganging up on them, making them feel threatened or isolated.
Prompt: What solutions can you propose to prevent mobbing, promote kindness, and ensure everyone feels safe and included in your community?
